„Warzywa”

Opracowała: Barbara Prokopiak

Położyła kucharka na stole:

Kartofle, Buraki, Marchewkę, Fasolę,

Kapustę, Pietruszkę, Selery i groch.

Och !

Zaczęły się kłótnie,

Kłócą się okrutnie:

Kto z nich większy, A kto mniejszy,

Kto ładniejszy, Kto zgrabniejszy:

Kartofle? Buraki? Marchewka? Fasola?

Kapusta? Pietruszka? Selery? Czy groch?

Ach!

Nakrzyczały się, że strach!

Wzięła kucharka - Nożem ciach!

Pokrajała, posiekała:

Kartofle, Buraki, Marchewkę, Fasolę,

Kapustę, Pietruszkę, Selery i groch -

I do garnka !
